

Overseas Adoption Process

1. Fill out [Adoption Form](#)
2. Skype interview with Bodhi rep (Alea)
3. Paperwork process & costs

Paperwork Process

-Booking: We will book dogs onto the passenger flight as soon as we receive flight info. Will need booking reference number & passengers full name to make the booking. Flight costs are paid for at the airport on day of departure, so no worries about paying in advance.

-Health Check: Bodhi team will bring the dog to Livestock at Phuket International Airport 10 days before their flight.

Documents needed for the health check (all will be provided by Bodhi) :

- Flight Volunteer copy of passport
- Itinerary with Flight numbers
- Rabies titre test **ONLY needed for Europe & UK**
- Taiwan Transit Permit **ONLY if flight transits via Taiwan**
- Power of Attorney Document
- Vaccination Booklet
- Health Certificate signed by vet
- Deworming certificate **ONLY needed for Finland, Norway, UK & Ireland**

Staff & Vet at Livestock will check the dogs microchip with a microchip reader. They also check thoroughly for ticks, fleas and any skin problems. We hand over documents, sign, and they will tell us what date and time to pick up the official Health Certificate & Export license for each dog. This takes approx 10 days and is able to be picked up the day before their flight, in the afternoon.

-Paperwork needed for International Flight:

- Original Health Certificate
- Original Export License
- Vet Health Certificate
- Deworming Certificate
- Sterilization Certificate *if applicable
- Adoption Certificate
- Copies *how many copies will depend on which airline
